EXPERIENCE

Sound of Serenity, Santa Barbara — *Storyboarder and 1st Assistant Camera*

NOV 2018 - FEB 2019

- Interpreted the director's vision for each shot and translated it to a visual medium
- Illustrated 30+ storyboard pages over the course of 50+ hours (including talking with the director and polishing rough drafts by myself) (traditional media)
- Set up, broke down, and adjusted camera on stands and a Red Ronin gimbal
- Pulled focus, examined the frame for discontinuities, made lighting adjustments according to aesthetic goals
- Instructed and guided new Second Assistant Cameras

January 1996, Santa Barbara — *Storyboarder, 1st Assistant Camera, and Grip/Lighting*

MAR 2019 - MAY 2019

- Illustrated 9 storyboard pages over the course of a week (including talking with the director) (traditional media)
- Built and disassembled lighting, grip, and camera equipment according to the needs of the DP and pulled focus

Pollock Theater, Santa Barbara — *Intern*

SEP 2018 - JUN 2019

- Set up, took down, operated, and directed recording equipment for live-streamed panel interviews with notable artists and academics
- Facilitated and collaboratively planned community events centered on film
- Learned how to successfully host, stage, coordinate, market, and prepare for guest interviews for a public audience

EDUCATION

University of California, Santa Barbara — *B.A.*

Sept 2017 - Jun 2020

Film and Media Studies B.A. with a Spanish minor, GPA 3.7
